

"with" is a very common word and was not included in your search. [\[details\]](#)

**Scholar** Results 1 - 10 of about 1,050 for **distributed lock independant lock manager native storage sending data with lo**

**DATA MANAGEMENT IN A DISTRIBUTED FILE SYSTEM FOR STORAGE AREA** [All articles](#) [Recent articles](#)

**NETWORKS - group of 5 »**

RC Burns - 2000 - [almaden.ibm.com](#)

... In previous **distributed** file systems, all open and ... this overhead by distributing the **management** of open ... open state, **lock** state suffices to protect referential ...

Cited by 18 - [View as HTML](#) - [Web Search](#)

**Shared file systems and fibre channel - group of 2 »**

MO'Keefe - ... 6th Goddard Conf. on Mass **Storage** Sys. and Technologies, 1998 - [cse.dmu.ac.uk](#)

... that the file system be **independent** of the ... is performed on the file **manager** [Wat95],

[Gib96 ... client-based locking scheme called the **distributed lock manager**. ...

Cited by 13 - [View as HTML](#) - [Web Search](#)

**Distributed lock management in a transaction processing environment - group of 2 »**

AB Hastings - Reliable **Distributed** Systems, 1990. Proceedings., Ninth ..., 1990 - [ieeexplore.ieee.org](#)

... Camelot node has its own logically **independent** log, which ... **Data** servers B and D use

**distributed** locks from ... of a given transaction, the **lock manager** may decide ...

Cited by 2 - [Web Search](#) - [Library Search](#)

**Reducing Coherence-Related Communication in Software Distributed Shared Memory Systems - group of 3**

»

WE Speight, JK Bennett - [www.brazos.rice.edu](#)

... programs that make use of small, **independent** critical sections ... be left with critical section dis for the **lock**. ... page will revert to a **distributed-page management** ...

Cited by 5 - [View as HTML](#) - [Web Search](#)

**of the requirements for the degree of - group of 2 »**

LBS SHARED-MEMORY - 1999 - [cs.wisc.edu](#)

... CLEAN , a **distributed** shared-memory system ... This work focuses on **lock**-based synchro- ... exchange **data** by **sending** requests and receiving responses. ...
